Market Situation / Background of request : Market: Segment Size In the past 3 years, combined volume of Cologne segment is still the largest, while the Plastic tend to decrease (92% of 2018) and Glass increases While the volume of Glass Cologne is not as big as Plastic, the value size is almost size because of the price point of EDC type . Value Comparison of Cologne Segment Plastic Cologne Almost all brands experience decrease since 2017 --> GB did renewal for GB Urban C in 2019 Even though decreasing, the condition of GB Urban Cologne is still better (94% of 2018), compared to CB Mist Cologne (92% of 2018) . Glass Cologne In 2018, Glass segment grew significantly CB and RM entered the market with Glass Bottle Cologne type The value of Glass Cologne is bigger than EDT/P segment which already considered successful in Indonesia GB does not have any asset in this segment. After renewal, GB Urban C sales went decreasing. Product Price Plastic Cologne is considered to be entry point of fragrance product, hence the affordable price shown in the high market Volume. Some users of Plastic Cologne grew up and wanting to change into Glass type packaging. GB Urban Cologne rose the HET from Rp17.800 to Rp19.200, and CVS market is around Rp21.500. It has less than Rp10.000 price gap with CB EDC/ while for quality concern people still accept higher price for high quality product. Among category, POSH launched Aerosol Spray with price of Rp21.900, some price concern people might feel that it has better value due to type and netto difference some GB UC users moved to POSH <2019 QQT Research> Product Image CB, BG, and RM successfully promote their product to have international image related to their positioning to have Exclusive impression. Until now, GB is catering to Casual and Young market. We have tried to enter Exclusive zone with Ultra Prime series , but not getting big success.
