 (5) ☐ Renewal of existing Products to improve quality

*Priority point

- (1) ☒ Emphasis on price
 (2) ☒ High quality
 (3) ☐ Other ()

Launching Date October 2020

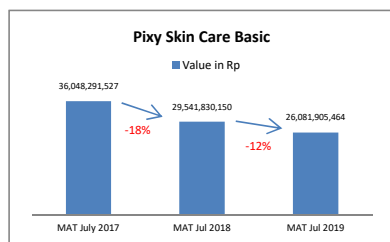

Market and Competitor Condition

- Face Moisturizer category grows 11% from MAT July 2018 to MAT July 2019, slightly below than Total Skincare with growth of 14%. The majority of the share and growth are from middle segment brands, such Wardah, Garnier, Fair & Lovely, Viva, and Mentholatum. (RMS Nielsen, July 2019)
 - Some of competitor brands in the same level already launched multifunction moisturizer, but only Citra mentioned antioxidant content in Citra Fresh Glow Multifunction Gel Tomato Bright UV.

Company Situation

Pixy Skin Care Basic Sell In
Source: MID Sell In (MAT Jul 2017 - 2019)

- Based on Sell In data MAT Jul 2017 - MAT Jul 2019, the growth of PIXY Skin Care Basic is constantly negative, while Total Skincare Market grows positively. This indicates that PIXY Skin Care Basic products are no longer fulfilling consumers' needs and wants.
 - PIXY needs to keep the loyal consumers and gain new consumers by doing innovations.
 - PIXY basic skincare series has various products with affordable price, which are made for consumers with middle to low purchase power.

Consumer Situation

- From PIXY Brand Evaluation Study on 2017:

- There is a finding that PIXY has unattractive packaging shape & handle, thus PIXY has to rejuvenate its packaging shape and design.
- Brand rejuvenation is important for heritage brand as well as keep being innovative to maintain consumers loyalty and trust towards brand.

- From Female Skin Care Market Segmentation Study on 2017:

- Super fruits are one of the appealing/exciting ingredients, because it has with medium familiarity (still considered new) & strong natural image.
- All respondents (including Users) are not aware of the variety of PIXY Skincare.

- Based on Usage of Skincare for PIXY New Series Development Research on 2019, Aloe Vera gel as a multifunction moisturizer with gel texture is one of the emerging trend in Indonesia.

- From Micellar Water Consumer Journey Research on 2019:

- Skincare User is divided into 5 groups based on the usage of skincare products. The most suitable type to PIXY's core target is The Practical, skincare users who come from young age, Middle to Upper SES, and have middle to low purchase power.
- The Practical type of consumers demand skincare products that has various benefit in one product.
- Aloe Vera Gel is one of the key products of The Practical skincare regime, as it can be used in many ways, including mask, exfoliating gel and moisturizer.

- PIXY Skincare basic series rejuvenation is needed to tap new consumers who are more suitable with PIXY's core target, which is The Practical.
